WATER RESIDENCES

PALM HILLS
NEW CAIRO

A vertical photograph of a landscape at sunset or sunrise. The sky is filled with soft, horizontal bands of color, transitioning from a pale blue at the top to a warm orange and yellow near the horizon. The foreground shows a dark, silty beach with gentle ripples in the sand. The overall image is intentionally blurred, creating a dreamy and atmospheric effect. The text "LET NATURE SPEAK" is centered in a dark, serif font.

LET NATURE SPEAK

A Signature Landmark

Palm Hills New Cairo cherishes 'green,' the way nature was created. The natural landscape of homes does not interfere with the surrounding environment.

Running over 500 feddans, Palm Hills New Cairo was designed among that scenery and assorted views having whatever you need all around you.

Palm Hills New Cairo is a mixed-use community. across so many different house types, commercial services, tailored for residents & guests. Our design is created to answer the call for a pleasant walk, a community guided by trees.

The Perfect Balance

Spanning across **500 feddans**.

Elevated typography with homes resting **330 meters** above sea level.

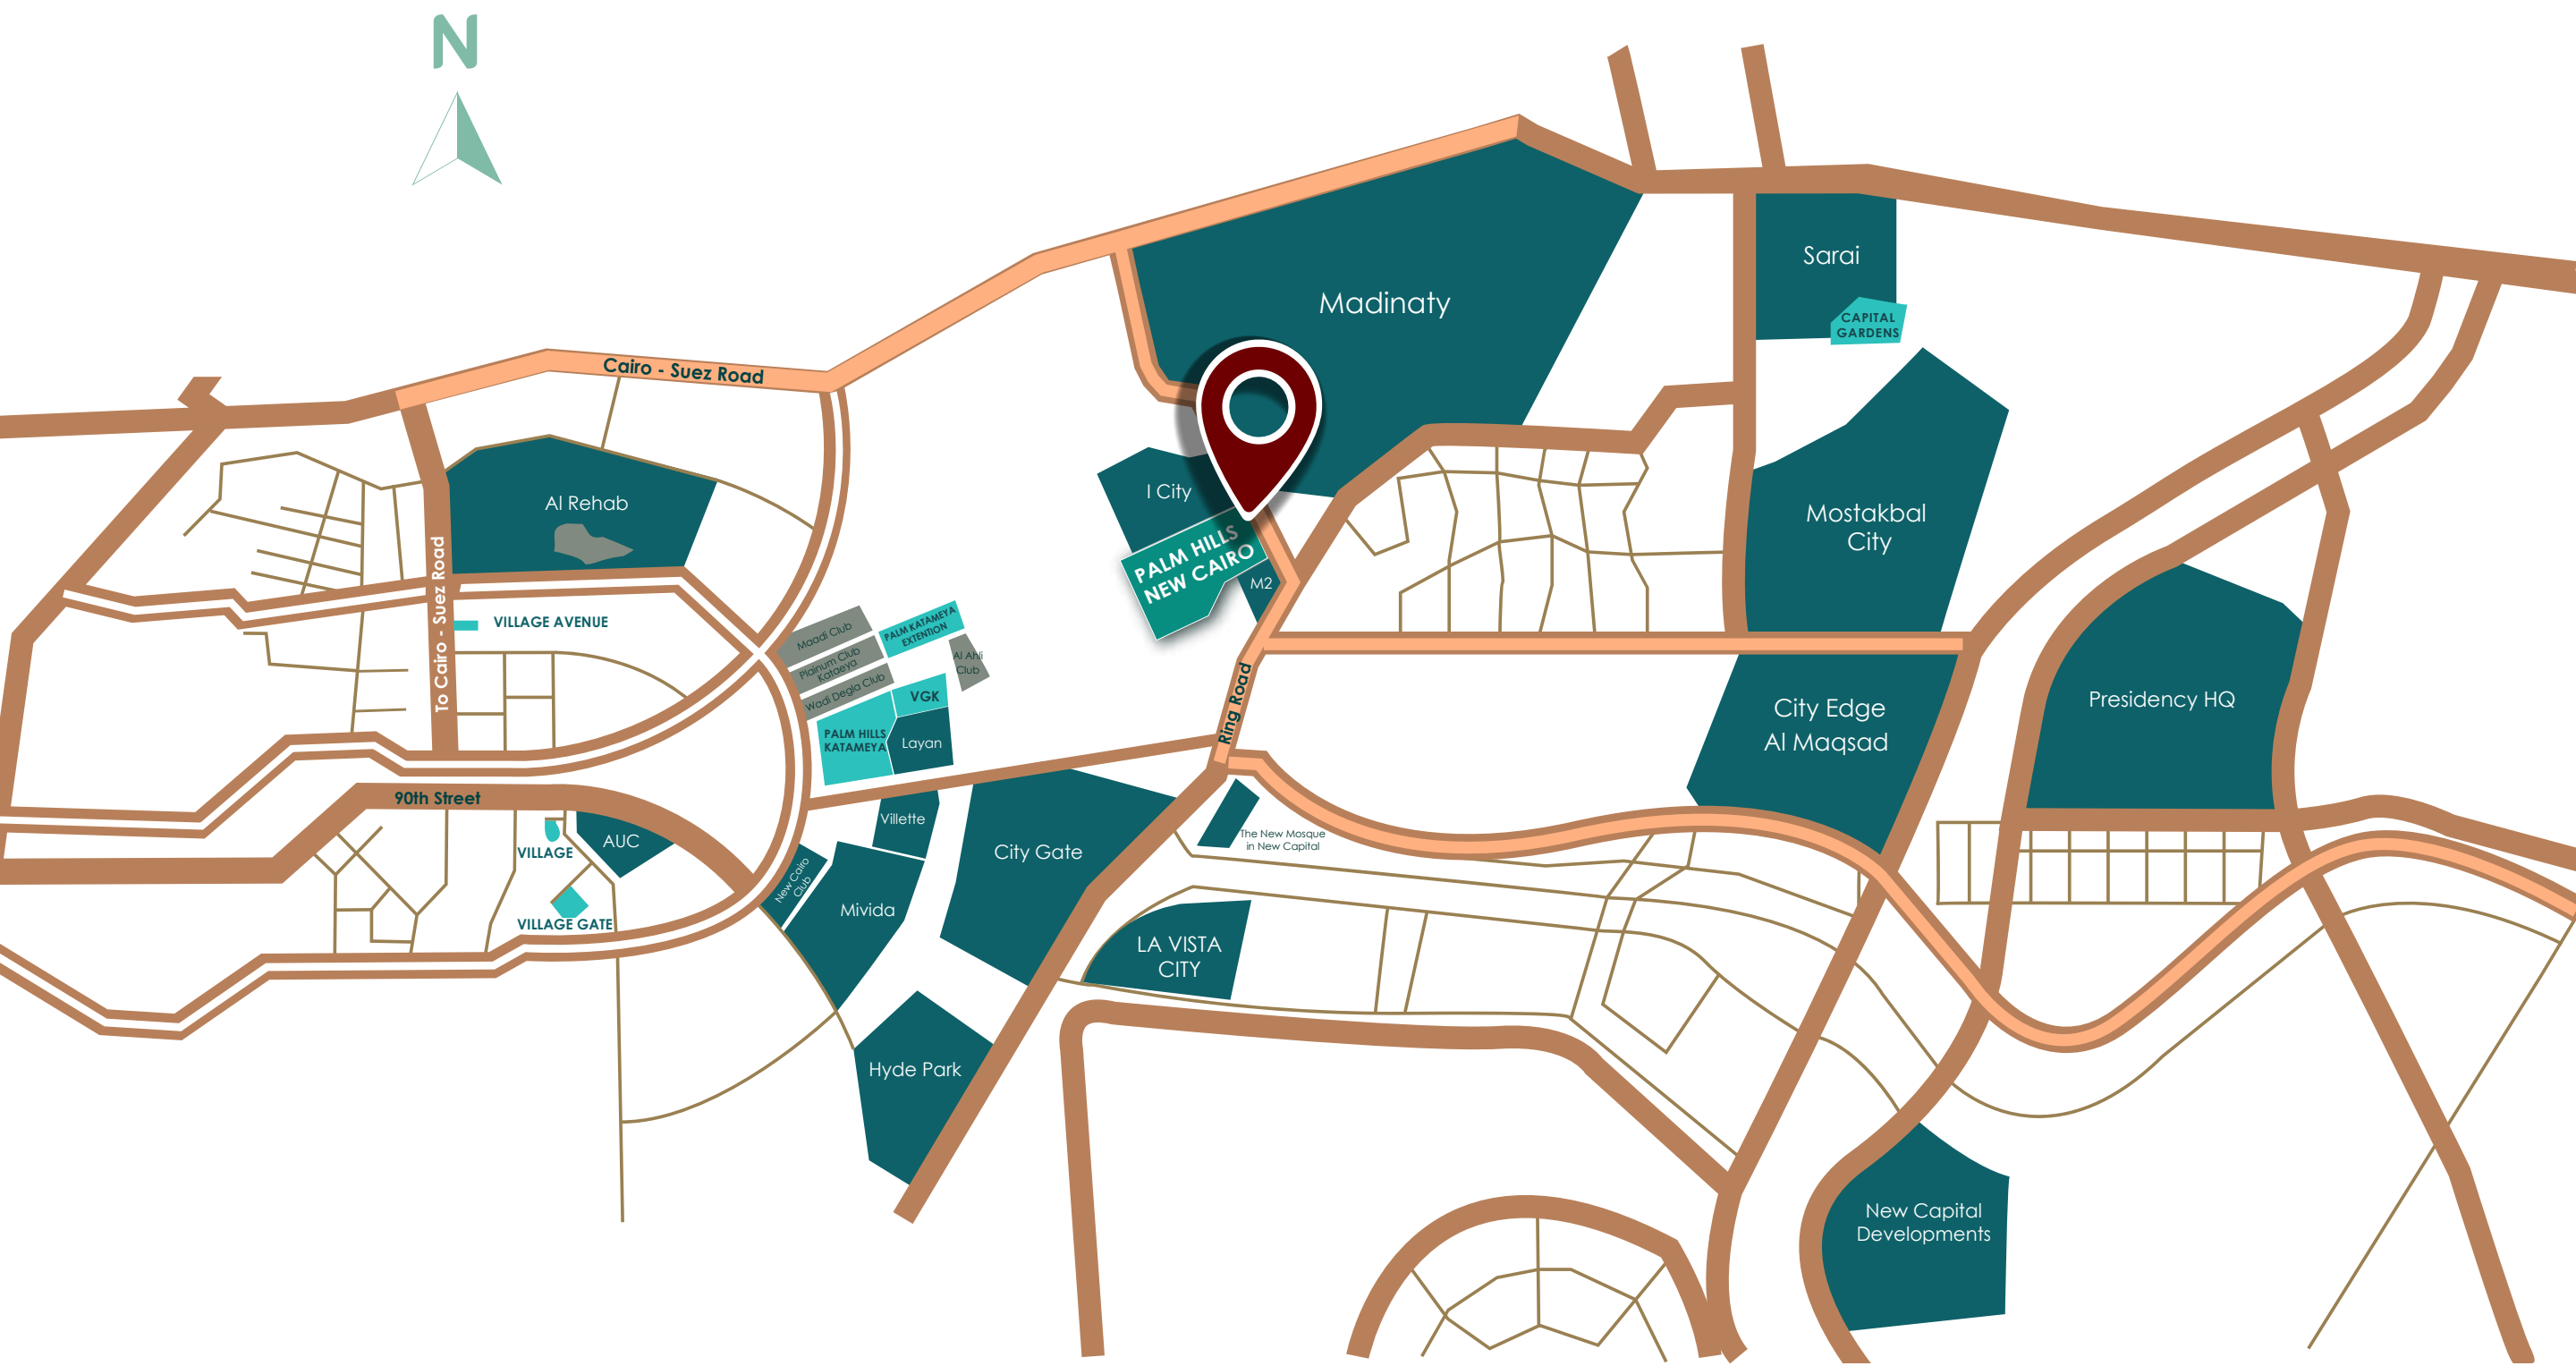

400 feddans featuring residential homes.

100 feddans of a mixed-use commercial space.

A Captivating Location

Conveniently placed along the Middle Ring-Road, with a separate accessible commercial entrance to not disrupt easy flow of its residents and their welcomed guests, you will find the monumental Palm Hills New Cairo overlooking all of New Cairo and the neighboring, New Capital City.
